PROFESSIONAL PROFILE

Attorney with more than five years of experience in civil, commercial and notarial matters. I draft and review contracts and legal instruments, handle civil and commercial litigation, prepare claims and motions, and analyse case files. My practice in private firms, the public sector and a notary office gives me a full view of both the preventive and the contentious side of legal matters. I am looking to join a company or law firm in Mexico City to grow in corporate and commercial law, contracts and legal advisory.

CORE COMPETENCIES
